3CR and The Carlton Arts Project present the **People's Tours of Carlton** - slide shows and audio tours of their journeys in Carlton - which you can click on at [www.peopletour.net](http://www.peopletour.net)

These tours were produced at **3CR Community Radio Station** with **Carlton residents**. Participants learned how to prepare, record and produce audio and took it out on the road to **share their stories and sounds of their lives at the Carlton Housing Estates**.

Join Ruth Rogers Wright as she takes us on a **tour of children's laughter** in the Carlton Housing Estates....listen to playwright and teacher Rosanna Fuentes as she talks of the **attitudes about public housing** that people have expressed to her over the years.....**meet members of the Hararian community** with Maria Ibrahim.....and find out the **best places to sniff, meet other dogs and people**, and the shop on Smith Street when you are a dog called Ella!

.....**Take a trip through Carlton today at <http://peopletour.net>!**

A **Carlton Housing Estate Musicians Course** is planned for April/May 2009. Go to [www.3cr.org.au](http://www.3cr.org.au) for more details or call below to find out about this free course which could launch your music career!.
