

Want to participate in your COMMUNITY RADIO STATION?

The Community Radio Federation (CRF) is the peak decision-making body at 3CR, consisting of elected representatives from station workers, subscribers, and affiliate members. Each year, at the Annual General Meeting (AGM), the CRF elects the new Committee of Management.

If you are interested in participating, please fill in either a station worker or subscriber representative nomination form enclosed noting the calendar below for closing dates and meetings. If you have questions, please contact the Station Manager on 9419 8377 or via email: stationmanager@3cr.org.au

ELECTION PROCESS

Station Worker and Subscriber Representatives

In the lead-up to the AGM, ten station workers and ten subscribers are elected as representatives to the CRF. To participate, nominees and their proposers must hold current subscriptions. If there are more nominees than available positions, a ballot will be held at a meeting open to all current subscribers.

Committee of Management

At the AGM, the CRF will elect the new Committee of Management from within its own members. Only elected representatives of station workers, subscribers, and affiliates are eligible to stand for election and vote. If more nominations than positions are available, a ballot will take place.

ROLES AND RESPONSIBILITIES

Station Workers are current subscribers and volunteer as programmers or receptionists.

Subscriber is a person who holds a current subscription.

Station worker and subscriber representatives are responsible for representing the interests of all station workers and subscribers at 3CR, carrying out tasks agreed upon in meetings, providing regular updates on key issues, and adhering to the decisions made during those meetings when voting at 3CR.

The **Committee of Management** oversees the overall operations of 3CR, including appointing staff, subcommittees, and developing policies to achieve 3CR's objectives.
